

GOLF "FORE" LIFE

13th ANNUAL GOLF "FORE" LIFE

Proceeds benefit the Compassion Pregnancy Center

On **Monday September 12, 2011** numerous golfers and I are going to risk total exhaustion by chasing, hacking, slicing, hooking and putting hundreds of little white balls from dawn till dusk. I am continuing to take on the challenge because I know that the Compassion Pregnancy Center is making a difference.

CPC helps women in crisis pregnancies make life affirming decisions and supports them so they can carry their babies to term. By involving my own network of friends, family and business associates like you, we can reach more women and their unborn children.

I would like to challenge you to sponsor me for this event. Pledges are made in lump sum payments. My personal goal is to raise \$2,500. Your pledge is tax deductible personally or through your business. The CPC will mail you a receipt for tax purposes after the event.

Please return the pledge form below, indicating the amount you would like to pledge, along with a check. **Please make checks payable to Compassion Pregnancy Center**, or you may make a pledge online using the following link
